

Paradise

Trebles and Blues

[Verse 1]How long you gonna make me wait

 Tell me what it's gonna take

Boy you got that thing I really need

 Baby give me a clue

 Now I leave it up to you

 Let's keep it on the low

Boy you put your trust in me

They don't need to know the truth

 The way I feel for you

So watcha gonna do when my love is here for you?

[Chorus]Paradise

 That's where I am

 When I make love to you

 Boy you take me there

 This I swear

 Paradise

 When you touch me

 In the places you do

 I can't wait no more

 Take me there tonight

[Verse 2]Won't you make up your mind

 Thought about a thousand times

Tell me what to do to make you mine

 I think about you every day

 Thoughts of you won't go away

 Let's keep it on the low

Boy you put your trust in me

They don't need to know the truth

 The way I feel for you

So watcha gonna do when my love is here for you?

[Chorus]Paradise

 That's where I am

 When I make love to you

 Boy you take me there

 This I swear

 Paradise

 When you touch me

 In the places you do

I can't wait no more
Take me there tonight
[C-part]It's time to tell the truth
It's time that you confess
Be honest with me baby
I know you're feeling this
Do you need for me
Like I feel for you
Tell it to me baby
So whatcha gonna do
[TQ]Wait a minute, ma, let me let you know what i'm in to
To know where I'm going
Gotta know what I've been trough
Hustler
Never been the type to sweat you
But I must admit you're looking good in your jeans, boo
Can we rendez-vous at the hotel around noon?
Can you keep a secret 'bout the things that we do?
If you can we can go to paradise, boo
Me and you
Me and you
Me and you
[Chorus]Paradise
That's where I am
When I make love to you
Boy you take me there
This I swear
Paradise
When you touch me
In the places you do
I can't wait no more
Take me there tonight
