

# Gangsta Djent

Stevie T.

Yeah boi hahahaha yea yeah StevieT

What? Thatâ€™s the name of the person performing this song you know me

What? What? Party What? Yeah boi Letâ€™s DJENT

Iâ€™m a gangsta. Iâ€™m a straight up G I got insane amounts of swag and I got lots of money All the ladies walk by  
me, I guess Iâ€™m supposed to call them Shorties but they ainâ€™t no midgets.

My wheels â€™98 cavalier (I have no idea how to spell) Itâ€™s rusting on the bottom but it ainâ€™t very clear When  
cruising, all around town the looks on peopleâ€™s faces that theyâ€™re totally jealous.

Youâ€™re a 16 freeman and I donâ€™t mean to brag, but when I go top speed it blows off my doo rag.

I got my street cred and you know Iâ€™m willing, Iâ€™m chilling like a villain and my earwax is spillin

Thereâ€™s just one thing that sets me from the rest

What sets me apart is I donâ€™t just but I ALSO DJENT
