

Hard Monkeys (1998 Remastered Version)

Ten Years After

Got no monkey on my back
And I'm never gonna crack'Cause it's a good life
Too good to lose
But it's a hard world
With the junkie bluesGot no street car called Desire
And I'll never light the fire'Cause it's a good life
Too good to lose
But it's a hard world
With the junkie bluesGot no monkey on my back
And I'm never gonna crack'Cause it's a good life
Too good to lose
But it's a hard world
With the junkie blues
