

Make Some Noise!

KIDZ BOP Kids

I'm not sure just what you heard
But I know a simple trick
You put both hands up clap them above
Do it do it just like this
I think I might have got the dancing sickness
Never ever had a fever like this
But where's the fun of being normal anywhere
Ok 5 4 3 2 1
I feel like turning it up
Breaking it down
Jump on my feet don't touch the ground
You got a voice you got a choice
Come on get loud let's make some noise
Sing it like
ooooooooooooh oooooooooooooh
This is the time it's you and I
Let's get lalalala loud
Make some noise!
Scream out loud twist twist and shout
Do whatever you want to
And if you're stuck in the middle
Boogie just a little
I bet you won't feel so blue
No tell me do you feel the speakers pumping
I ain't stopping till the whole room shouting
It's ok to get crazy now we're eh eh eh
Hey 5 4 3 2 1
I feel like turning it up
Breaking it down
Jump on my feet don't touch the ground
You got a voice you got a choice
Come on get loud let's make some noise
Sing it like
ooooooooooooh oooooooooooooh
This is the time it's you and I
Let's get lalalala loud
Make some noise!
oh oh oh oh oh
oh oh oh oh oh (x2)

I wanna get lalalala loud
Get lalalala loud(x3)
I wanna get loud
5 4 3 2 1
I feel like turning it up
Breaking it down
Jump on my feet don't touch the ground
You got a voice you got a choice
Come on get loud let's make some noise
Sing it like
oooooooooh ooooooooooh
This is the time it's you and I
Let's get lalalala loud
Make some noise!
