

Jeremy

ELAN

I'm on the road again
The last to leave him
Would he ever remember me Now I'm far away
The past behind me
Fallen shadows on a sunny day [Bridge:]
And I don't know just where I'm going
But I do know where I've been
Didn't we cry together
I guess the tears ran dry [Chorus:]
The memories came back slow
Goodbye Jeremy
Such a long way home
Goodbye Jeremy Now I'm living in the city
All these people
A million faces trying to find a way And I'll say it though it's silly
I can't find my style
I don't get as high as I used to [Bridge] [Chorus x2]
