

Let's Do It Today

T Connection

Today is gone so i have you fun run
Another day may never comes
Move around see the town put your feets on the ground
Dont wait for another day to comes around Hey heyLet's do it today uh...
Let's do it today yeah yeah
Let's do it today
Don't you wait until tomorrow uh
Live is still the sorrow, who knows heyCome along with me so you can feel
Like a river runs in feets yeah
See your lights in the night forever shine and bright
Let me know that everything alright hey hey
Let's do it today
Let's do it today
Let's do it today
Don't you wait until tomorrow uh
Live is still the sorrow, who knows heyCome along with me so you can feel
Like a river runs in feets yeah
See your lights in the night forever shine and bright
Let me know that everything alright hey heyLet's do it today
Let's do it today
Let's do it today
Don't you wait until tomorrow uh
Live is still the sorrow, who knows hey
Aha yeah
Don't you wait until tomorrow
Come with me, can you be like a river in feets, runs in feets
Oh yeah
