And her eyeballs are cookin'  
Yet you can't even pry her offa his dick  
Desto in Ms Fiat and he's cool as death  
And she's sweet as hash  
Snortin' semen thru' a 5th hose Here he comes  
'Bout to impregnate my wife to be Desto in Ms Fiat and her bones are snappin'  
And her brains are meltin'  
Coz Satan's gettin' lucky tonite  
Desto in Ms Fiat and he's big as life  
And she's tight as fuck
