

Blue Money

Van Morrison

The photographer smiles
Take a break for a while
Take a rest, do your very best
Take five, honey
Five, honey You search in your bag
Light up a fag
Think it's a drag, but you're so glad
To be alive honey
Alive honey Said when this is all over
You'll be in clover
We'll go out and spend
All of your blue money
Blue money
Blue money Do-do-you-do, n'-do-do-you-do
N' do-do-do-you do, n' do-do-do-you-do
N' do-do Alright, (do-do) do-it Do-do-you-do, n'-do-do-you-do
