

We Walk the Same Line (2013 Remaster)

Everything But the Girl

If you lose your faith, babe, you can have mine,
and if you're lost I'm right behind,
cause we walk the same line. Now I don't have to tell you
how slow the night can go,
I know you've watched for the light. And I bet you could tell me
how slowly four follows three,
and you're most forlorn just before dawn. So if you lose your faith babe,
you can have mine,
and if you're lost, I'm right behind,
cause we walk the same line.
When it's dark baby,
there's a light I'll shine,
and if you're lost, I'm right behind,
cause we walk the same line. And I don't need reminding
how loud the phone can ring
when you're waiting for news. And that big old moon
lights every corner of the room.
Your back aches from lying
and your head aches from crying. So if you lose your faith babe,
you can have mine,
and if you're lost, I'm right behind,
cause we walk the same line.
When it's dark baby,
there's a light I'll shine,
and if you're lost, I'm right behind,
cause we walk the same line. And if these troubles
should vanish like rain on midday,
well I've no doubt there'll be more. And we can't run and we can't cheat,
cause babe when we meet
what we're afraid of,
we find out what we're made of. So if you lose your faith babe,
you can have mine,
and if you're lost, I'm right behind,
cause we walk the same line. When it's dark baby,
there's a light I'll shine,
and if you're lost, I'm right behind,
cause we walk the same line.
