## The Freshman

## **The Verve Pipe**

When I was young I knew everything

She a punk who rarely ever took advice

Now I'm guilt stricken, sobbin' with my head on the floor

Stoppin' baby's breath and a shoe full of rice, noI can't be held responsible

'Cause she was touching her face

I won't be held responsible

She fell in love in the first placeFor the life of me I cannot remember

What made us think that we were wise

And we'd never compromise

For the life of me I cannot believe

We'd ever die for these sins

We were merely freshmenMy best friend took a week's vacation to forget her

His girl took a week's worth of Valium and slept

And now he's guilt stricken, sobbin' with his head on the floor

Thinks about her now and how he never really wept he saysCan't be held responsible

'Cause she was touching her face

I won't be held responsible

She fell in love in the first placeFor the life of me I cannot remember

What made us think that we were wise

And we'd never compromise

For the life of me I cannot believe

We'd ever die for these sins

We were merely freshmenWe've tried to wash our hands of all of this

We never talk of our lacking relationships

And how we're guilt stricken sobbin' with our heads on the floor

We fell through the ice when we tried not to slip, we'd sayCan't be held responsible

'Cause she was touching her face

And I won't be held responsible

She fell in love in the first placeFor the life of me I cannot remember

What made us think that we were wise

And we'd never compromise

For the life of me I cannot believe

We'd ever die for these sins

We were merely freshmenFor the life of me I cannot remember

What made us think that we were wise

And we'd never compromise

For the life of me I cannot believe

We'd ever die for these sins

We were merely freshmenWe were merely freshmen

We were only freshmen
