

I'll Be Waiting

Michael Franti & Spearhead

The best things in life aren't things
They're living and breathing
The best things in life aren't things
They're something you can believe in Do you believe me?
Do you believe me when I say...
Tonight won't last for long
Soon it will be gone But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you The best things in life aren't things
They're laughing and crying
The best things in life aren't things
They're frightened, but they're still fighting Do you believe me?
Do you believe me, yeah, when I say...
Tonight won't last for long
Soon it will be gone But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you You said that you were leaving
But it's alright, it's alright
You said that you were sorry
But it's alright, yes, it's alright The best things in life aren't things
They're broken and bleeding
The best things in life aren't things
They're chosen to believe in Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you And I say, eee-ohh, eee-ohh, eee-ohh, eee-ohh,
Eee-ohh, eee-ohh, eee-ohh, eee-ohh,
Eee-ohh, eee-ohh, eee-ohh, eee-ohh, eee-ohh I say it's alright, it's alright
It's alright, it's gonna be alright now
