# The Space Between

## Offsides

Now that you're older
Taking the time to look
Back over your shoulder
On the days confusion took
Now that you're wiser
Surely you've learned to read it
You should know no surface shines brighter
Than the light that burns beneath it
Never so sure
We always take more
Though we still
Don't know what it's for
Now that I've seen you
Stripped to the very core
I know that I need you
Less than I did before
Never so sure
We always take more
Though we still
Don't know what it's for
