

Girl You Need A Change Of Mind

Eddie Kendricks

Baby (Let me tell you) girl you need a change of mind

Why march in pick-it lines? Burn bras and carry signs? Now I'm for women's rights I just want equal rights help!

Baby girl you need a change of mind baby girl you need a change of mind

All men don't discriminate this man emancipates now I won't chain you up just fill your lovin' cup hey, hey you need me girl

What you say to that? What you say to that? (Hey baby) baby (you need a change of mind) what you say to that? (Hey baby) baby (You need a change of mind) what you say to that?

(Bet I can change ya if it takes all night let me try to change ya) its alright (I know you need me) what you say to that? (I know you need me) what you say to that?

Its alright what you say to that? Ha ha ha ha yeah yeah yeah yeah ha ha ha ha ha yeah yeah yeah yeah let me try to change ya let me try to change ya

let me try to change ya let me try to change ya let me try to change ya let me try to change ya let me! I know I can let me try to change ya oh I know I can
