The Scientist (The Voice Performance)

Holly Henry

Come up to meet you
Tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apart
Tell me your secrets, and ask me your questions
Oh, let's go back to the start
Running in circles
Coming on tails
Heads on a science apart
Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the startI was just guessing, at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
That don't speak as loud as my heart
Tell me you love me, come back and haunt me
Oh, and I rush to the start
Running in circles, chasing our tails
Coming back as we are
Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
I'm going back to startAhoo
