

# What If You (Piano Version)

**Joshua Radin**

What if you could wish me away  
And what if you spoke those words today  
I wonder if you'd miss me when I'm gone  
It's come to this release me  
I'll leave before the dawn But for tonight, I'll stay here with you  
Yes, for tonight, I'll lay here with you  
But when the sun hits your eyes through your window  
There'll be nothing you can do What if you could hear this song  
What if I felt like I belong  
I might not be leaving (oh) so soon  
Began the night believing  
I loved you in the moonlight So for tonight, I'll stay here with you  
Yes for tonight, I'll lay here with you  
But when the sun hits your eyes  
Through your window  
There'll be nothing you can do I could have treated you better, better than this  
Well I'm gone, this song's your letter  
I can't stay in one place So for tonight, I'll stay here with you  
Yes, for tonight, I'll lay here with you  
But when the sun hits your eyes through your window  
There'll be nothing you can do
