

Livin It' Up (feat Case)

Ja Rule

Yea, yea, yea
Where all my...
Uhh, yea.. c'mon, c'mon uhh
To all my ladies that be givin' it up, uh
To everybody that be livin' it up, we say...
To all my ladies that be givin' it up, ah
C'mon, baby This ain't your typical, everyday, one night thing
It's a physical, I'mma love you tonight thing
Love , callin' your name, put your phone in the Range
And roll over, I just really wanted to hold ya
Time get to know ya, that's a good chick
Before it's all over, I'mma meat this chick
Probably treat this chick, mo' betta
'Cause if you ain't, know, thugs and ladies go together
Poppin' my collar, patnah, who in the spot?
Baby, Rule in the spot, and the mug and the watch ugly
Half of y'all hate me, half y'all love me
The ones that hate me only hate me 'cause they don't trust me
And they say I'm lucky, you think I got time
To blow all this dough and do all these shows?
Or flight in the llama chargin' white Rolls
Uh-oh, another episode What, do I do?
To everybody that be livin' it up, we say
What, I do
And all my ladies that be givin' it up, uhh
What, you do
To everybody that be livin' it up, we say
What, do I do?
And all my ladies that be givin' it up, uhh
My love's for you
C'mon Ladies, just wanna hold a name Miss Atkins
That's why they show love with mo' passion than average
And I ain't mad at' never leave you alone
'Cause the song when I'm home, like the song when I'm gone
We both grown, both got minds of our own
Plus we hit it off like first sight in "Love Jones"
Been in, many zones, baby love it all hate it all
From, prissy women to women that go to shadows
But you know, the Rule be livin' it up

And got all y'all, givin' it up
I like a, little ooh baby, how cute are you?
With a body that rides on sexual
I got a stick, I'll ride right next to you
Doin' doughnuts, and cut, then I'll open it up
On the freeway, hand on the wheel, foot on the clutch
Rule baby, not givin' it up What, do I do?
To everybody that be livin' it up, we say
What, I do
And all my ladies that be givin' it up, uhh
What, you do
To everybody that be livin' it up, we say
What, do I do?
And all my ladies that be givin' it up, uhh
My love's for you C'mon, we get right
C'mon, we get live
C'mon, we get right
Live yo' life Love you so sexy, I just want you next to me
Your whole vibe's like a sign in ecstasy
'Cause it ain't nuttin' but a 'E' thang, bay-bay
I know the World is goin' crazy
I wanna, feel your passion, come when you askin'
Laugh when you cryin', cry when you laughin'
But ain't nothing happenin', a girl got a little uptight
Turned off the light and then started crashin'
The radio blastin' "Between Me and You"
But, you ain't on the low with that freaky thing you do
Girl I thought you knew (what I do), know I know
(What you do)
'Cause it ain't a good night if you don't act right
Like, Teddy P let's "Turn Off the Lights"
And, grind it out, takin' no times out
'Til the sun come out, let me find out What, do I do?
To everybody that be livin' it up, we say
What, I do
And all my ladies that be givin' it up, uhh
What, you do
To everybody that be livin' it up, we say
What, do I do?
And all my ladies that be givin' it up, uhh
My love's for you
C'mon To everybody that be livin' it up, we say
What, I do
And all my ladies that be givin' it up, uhh
What, you do

To everybody that be livin' it up, we say
What, do I do?
And all my ladies that be givin' it up, uhh
My love's for youC'mon, we get right
C'mon, we get live
C'mon, we get right
It's my time
