

# Pleasure Dome

## Armando Gallop

Now I know none of this was planned  
It all just kinda happened  
I got more than I wanted  
But how is still a mystery Obsessed with this feeling  
I trusted it, so I followed it  
I'm tripping and stumbling across the land  
Full of miracles Into a world so far from home  
Miles and miles from nowhere  
Rooms without doors open for me, oh, no  
Taking me miles and miles from nowhere  
Oh, miles and miles, oh, yeah Lost in this pleasure dome  
Lost in my own pleasure dome Oh man, I ain't got a clue  
How you get out, or how to find this place  
I want my control back  
But I'm afraid, I'll lose that feeling Lost in a world so far from home  
I'm miles and miles from nowhere  
Falling inside my own pleasure dome  
I'm miles and miles from nowhere  
Oh, miles and miles, oh, yeah Lost in this pleasure dome  
Lost inside my pleasure dome Lost in a world, can't find my way home  
Miles and miles from nowhere  
Falling inside my own pleasure dome  
Miles and miles from nowhere Millions of miles, oh no, miles and miles  
And miles from nowhere  
Miles and miles and miles and miles, oh Lost in this pleasure dome  
Lost inside my pleasure dome, yeah  
Lost, lost
