

(I Just Wanna) Milkshake

Go Back to the Zoo

I'm a fool, I'm a sun of a gun,
I never listen to anyone.
I'm gonna sleep till the end of the day,
Cause no one listens what I got to say.
I ride my bike, wherever I like,
Through the park on a sunny site.
But there's some girls, smiling at me,
What the hell do they want from me. I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake) I read books that I don't understand,
I ain't got money, I got time to spend.
I've met this girl, she was just seventeen,
The sweetest thing that I've ever seen. And she said, hey boy,
I liked you show,
I think of further love with you rock and roll.
So I say, hey girl,
We both know,
Everything's for free if you just sell your soul. I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake) Oh, god. Feeling kind of swings tonight.
Oh, god. I'm feeling kinds of swings tonight. Don't wanna house, no swimmingpool,
Everything is quite alright.
Don't want no money, or just don't care,
I'm easy to be satisfied. Don't wanna house, no swearing fool,
Everything is quite alright.
Don't wanna money, or just don't care,
I'm easy to be satisfied. I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
I just wanna milkshake (I just wanna milkshake)
