

# You're Mine

## A Flock of Seagulls

I'd like to know you  
Much better than I do  
I'd like to show you  
Everything you need to know I'd like to wrap you  
Tightly in my arms  
To keep you safe and  
Free from all the harm Baby I will never hurt you  
I will never make you cry  
Never leave you or desert you  
You know why I'd like to take you  
Although I'm far away  
You know I love you  
For this, forever and one day Baby I will never hurt you  
I will never make you cry  
Never leave you or desert you  
'Cause you're mine Oh, la la la la la la  
You're mine  
Woah, woah oh  
La la la la la la la la la  
You're mine Baby I will never hurt you  
I will never make you cry  
Never leave you or desert you  
'Cause you're mine Oh, la la la la la la  
You're mine  
Woah, woah oh  
La la la la la la la la la  
You're mine  
Woah, woah oh  
La la la la la  
You're mine girl  
Woah, woah oh-hoh  
La la la la la la la la la  
You're mine
