Vagabonds

Jinja Safari

We follow the tail lights out of the city
Moving in a river of red
As the colors fade away from the dusky sunset
We roll for the darkness aheadWe are old, we are young, we are in this together
Vagabonds and children, prisoners forever
With pulses a-raging and eyes full of wonder
Kicking out behind us againNight time, city beat, the radio is calling
The lost and lonely in vain
Out here we are running for the wide open spaces
The road smell after the rainWe are old, we are young, we are in this together
Vagabonds and children, prisoners forever
With pulses a-raging and eyes full of wonder
Kicking out behind us againAnd watching as a boy alone at the quayside
The ships loading cargo in the night
Their names all calling to faraway places
The years go past, the miles go by
And still this childhood romance will not dieWe are old, we are young, we are in this together
(We are old, we are young)
Vagabonds and children, prisoners forever
(Vagabonds and children)
With pulses a-raging and eyes full of wonder
(With pulses a-raging)
Kicking out behind us again
(Kicking out behind us)We are old, we are young, we are in this together
Vagabonds and children, prisoners forever
With pulses a-raging and eyes full of wonder
Kicking out behind us again, hey, heyOne more
