This for gangsta niggas only

You real niggas show me

You so motherfuckin' petty

You ain't my motherfuckin' homie, nigga

Yeah, better act like you know me

I don't fuck with the phonies

20 cash and the Rollie, nigga

Yeah, you don't like it nigga, shoot somethin'

Big checks like Nike, just do it, huh

I been gettin' it since the 10th grade

Nigga don't like it, get hit with the 10th fade

I don't fuck with the petty bitches

And I'm all about my fatty nigga

I got my shooters in the Chevy nigga

Foreign girl with the foreign, bitch got a plenty nigga[Hook: Rico Richie]

You petty, you petty

You petty, you petty

I ain't fuckin' with you niggas cause you petty

I ain't fuckin' with you bitches cause you petty

You petty, you petty

You petty, you petty

I ain't fuckin' with you niggas, you so petty

I ain't fuckin' with you bitches, you too petty[Verse 2: Snootie Wild]

Baby mama bad

Whole squad ready

Bitch in the kitchen whippin'

So I named her Betty

Ride in that trunk
Real look like hula hoop
Double cup, lean
Sippin' on that beetle juice
We still flippin' bricks
You can call it somersault
I don't give a damn
Nigga what my mama talk?
Let her call me daddy
Love the way my Rollie glow
Nigga wanna rob
I'mma show you petty dough
Feelin' like a god
Son of a boss
Real niggas stand
While fake niggas fall
Plenty of women
Many bitches petty though
When we leave the club
Now these bitches ready
