

# The Color Red

## Pearl Jam

I got a car, I got some gas  
Oh let's get out of here, get out of here fast  
Oh everyone's confused, so I stay in my room  
If I go, I don't want to go alone I hope you get this message, oh you're not home  
I could be there in ten minutes or so  
Oh I got my things, we'll make it up as we go along  
Oh with you I could never be alone, never be alone
