

# Do Anything You Wanna Do

## Eddie & The Hot Rods

Gonna break out of this city  
Leave the people here behind  
Searching for adventure  
Is the type of life to find  
Tired of doing day jobs  
With no thanks for what I do  
I'm sure I must be someone  
Now I'm gonna find out who

Why don't you ask them what they expect from you?  
Why don't you tell them what you are gonna do?  
You'll get so lonely  
Maybe it's better that way  
It ain't you only  
You got something to say

Do anything you wanna do  
Do anything you wanna do

Don't need no politician tell me things I shouldn't be  
Neither no optician tell me what I ought to see  
No one tells you nothing  
Even when you know they know  
But they tell you what you should do  
They don't like to see you grow

Why don't you ask them what they expect from you?  
Why don't you tell them what you are gonna do?  
You'll get so lonely  
Maybe it's better that way  
It ain't you only  
You got something to say

Do anything you wanna do  
Do anything you wanna do

Gonna break out of this city  
Leave the people here behind  
Searching for adventure  
Is the type of life to find

Tired of doing day jobs  
With no thanks for what I do  
I'm sure I must be someone  
Now I'm gonna find out who

Why don't you ask them what they expect from you?  
Why don't you tell them what you are gonna do?  
You'll get so lonely  
Maybe it's better that way  
It ain't you only  
You got something to say

Do anything you wanna do  
Do anything you wanna do
