TRACK 6 â€“ YOUâ€™RE THE GREATEST
By Pst Ifeoma Eze

Let all creation come and bow
From the west, north, east and south
At the mention of your nameâ€¦.

VS.1
King of kings, Lord of lords, Mighty One
Great king and warrior
Youâ€™re my light, youâ€™re my life
All I see is you
Your power goes before me like a lightening
Your spirit is upon me, none can fight me
Searched all over, none greater than you
King of kings, Lord of lords, Mighty One
Great king and warrior
Youâ€™re my light, youâ€™re my life
All I see is you
Your power goes before me like a lightening
Your spirit is upon me, none can fight me
Searched all over, none greater than you
CHORUS:
Let all creation come and bow
From the west, north, east and south
At the mention of your name
Oh oh oh oh
Let all creation come and bow
From the west, north, east and south
At the mention of your nameâ€¦
Youâ€™re the greatest
Youâ€™re the greatest
Youâ€™re the greatest
Youâ€™re the greatest
Oh Godâ€¦â€¦.Glory to your name (Repeat)

VS 2:
Never thought that I will be this way
Never thought that I will sing your praise

Canâ€™t imagine how Iâ€™ld win this race
Without you my heartâ€™s an empty space
The rose of Sharon, Eledumare
I call you holy, youâ€™re strong in battle
My rock. My banner,
Odogwumee
Iâ€™ll let them know
You are bigger than what people say
Iâ€™ll let them know
You are more than life to me
Iâ€™ll let them know
You are bigger than what people say
Iâ€™ll let them know
You are more than life to me
CHORUS:
Let all creation come and bow
From the west, north, east and south
At the mention of your name
Oh oh oh oh
Let all creation come and bow
From the west, north, east and south
At the mention of your nameâ€¦
Let all creation come and bow
From the west, north, east and south
At the mention of your name
Oh oh oh oh
Let all creation come and bow
From the west, north, east and south
At the mention of your nameâ€¦

Youâ€™re the greatest
Youâ€™re the greatest
Youâ€™re the greatest
Youâ€™re the greatest
Oh Godâ€¦â€¦.Glory to your name (Repeat)
