

# The Riot's Gone

[Santigold](#)

(Verse 1) I've been looking for a fight,  
All the trouble that I know.  
Tryin' to loose the world inside,  
But it's got no place to go. Oh I'm more dangerous,  
At the whim of my command.  
I've been searchin' for an angle,  
For a cause I can't defend. [Chorus] Oh take me home,  
Let me go all day,  
Just beat there til I know,  
Til I know, that the riot's gone, the riot's gone away. Eeeh ee, Eeeh ee. (Verse 2) I've been haunted all my  
life,  
On a brink of something close.  
People know that I write,  
Know I'm grapplin' with a ghost. Oh, I more dangerous,  
And I'm defeaned by the freight.  
Waiting for the day I'm able  
and I said it all this way. [Chorus] Eeeh, Eeeh ee, Eeeh ee, etc.
