

# My Little Red Book

## The Manfreds

I just got out my little red book  
The minute that you said good-bye  
I thumbed right through my little red book  
I wasn't gonna sit and cry  
And I went from A to Z  
I took out every pretty girl in town  
They danced with me  
And while I held them  
All I did was to talk about you  
Hear your name and I'd start to cry  
There is just no getting over you  
No girl who's in my little red book  
Just ever could replace your love  
And each girl in my little red book  
Knows you're the one I'm thinking of  
Won't you please come back to me?  
Without your precious love I can't go on  
Where can you be?  
I need you so much  
All I do is to talk about you  
Hear your name and I start to cry  
There is just no getting over you, no, no, no  
Won't you please come back to me?  
Without your precious love I can't go on  
Where can you be?  
I need you so much  
All I do is to talk about you  
Hear your name and I start to cry  
There is just no getting over you, no, no, no  
All I do is to talk, talk about you  
Hear your name and I start to cry  
There is just no getting over you, no, no, no  
All I do is to talk, talk, talk  
Hear your name and I start to cry  
There is just no getting over you
