Hideaway

Passion Pit

Who could love you in the way that you love you?
You're alone darling and there's nothing to argue
If your life evolves into ruin
Everyone's watching all that you're doing
Say your head's turning, maybe you should start runningHideaway, hideaway
Where they'll never say you cannot stay
Come and play oh, my hideaway
Someday everything will be okayYou're not strong so you, you can hurt so badly
You don't mean to, hurting her is too maddening
When you do it's a war in your head
What you mean to say isn't always worth saying
Take a deep breath as soon as you let goHideaway, hideaway
Where they'll never say you cannot stay
Come and play oh, my hideaway
Someday everything will be okayWhat's the point to this, feeling happiness in life?
As we fade off all the lines
Oh well, as we play into its lines, oh honeyHideaway, hideaway
Where they'll never say you cannot stay
Come and play oh, my hideaway
Someday everything will be okay
