

# You Better Watch Yourself

Joe Bonamassa

You better watch yourself  
You better watch yourself  
You better watch yourself  
I got my eyes on you Yeah, you steal my heart  
Then you go away  
Don't tell me  
You'll see me another day You better watch yourself  
You better watch yourself  
You better watch yourself  
I got my eyes on you Yeah, I gave you all my love  
All my things too  
Fine Cadillac  
Baby, what you gonna do? You better watch yourself  
You better watch yourself  
You better watch yourself  
I got my eyes on you Oh, show them now, baby Well, people are talkin'  
All over the town  
You say you're gonna love me  
But you put me down You better watch yourself  
You better watch yourself  
You better watch yourself  
I got my eyes on you Hey, ooh
