

Dukes of Hazzard

Less Than Jake

Just the good old boys, never meaning no harm
Beats all you never saw, been in trouble with the law
Since the day they was born
Straightening the curves, flattening the hills
Someday the mountain might get 'em but the law never will
Making their way, the only way they know how
That's just a little bit more than the law will allow
Just two good ol' boys, wouldn't change if they could
Fighting the system like true modern-day Robin Hood
