

The Way You Do the Things You Do

Bobby Messano

You've got a smile so bright
You know, you could've been a candle
I'm holding you so tight
You know, you could've been a handle
The way you swept me off my feet
You know, you could've been a broom
The way you smell so sweet
You know, you could've been some perfume
Well, you could've been anything
That you wanted to and I can tell
The way you do the things you do
(The way you do the things you do,
The way you do the things you do)
As pretty as you are
You know, you could've been a flower
If good looks can cause a minute
You know that you could be an hour
The way you stole my heart
You know, you could've been a cool crook
And baby, you're so smart
You know, you could've been a schoolbook
Well, you could've been anything
That you wanted to and I can tell
The way you do the things you do
(The way you do the things you do,
The way you do the things you do)
You made my life so rich
You know, you could've been some money
And baby, you're so sweet
You know, you could've been some honey
Well, you could've been anything
That you wanted to and I can tell
The way you do the things you do
(The way you do the things you do)
You really swept me off my feet
(The way you do the things you do)
You made my life complete
(The way you do the things you do)
You made my life so bright

(The way you do the things you do)
You make me feel all right
