Fate

The Filthy Violets

I've heard about your kind before
Black dress and binding allure
Oh lord oh lord
Caught me staring but I can't look away
It's shameless I know but I'm convinced it's fate
That we meet
Oh I will stay until we meet
Cause I know
Oh I know
That if I leave it up to fate
It's gonna be a long wait
And I will be lying down alone and awake
Thinking about bad choices made
Unless I change my ways
Luck at last she's standing alone
Just go be bold and make your presence known
Wings are empty and so is my glass
I try to move but like a fool I just walk past
Try to play it off like I care for the time
Oh it's just 8:30
Small talk what a crime
Oh I tell myself again
That if I leave it up to fate
It's gonna be a long wait
And I will be lying down alone and awake
Thinking about bad choices made
Unless I change my ways
And be bold for just one day
For just one day
And be bold
Oh for just one day
To be bold
To be bold
To be bold
Yeah to be bold
