Lions

Handsome Ghost

We were on in August
Celebrate the summer and this
Early morning to airport lines and
Cheap seats in the open sky
Gimme foreign cities
Gimme late-night rooftop buildings
Sheets _- and the night gets still
Cigarettes for the windowsillYou plant your hands, they rest on my knees
The promises we wanted to keepKnow that we can both be better than that
We can be the color in black
We can be the lions in all the cats
We can be forever fighting backThen again, December
Steady-ready for a new disaster
The world works in a wicked ways
Work it out with a whisky rageYou plant your hands, they rest on my knees
The promises we wanted to keepKnow that we can both be better than that
We can be the color in black
We can be the lions in all the cats
We can be forever fighting backWe can be the color in black
We can be the color in blackEven if you call me from your front steps
Even if I'm waking to the sounds
Say you wanna live it but you forget howKnow that we can both be better than that
We can be the color in black
We can be the lions in all the cats
We can be forever fighting backWe can be the color in black
We can be the color in black
