

Can Anybody Find (I Am the Way)

Marilyn Baker

I Am The Way - Marilyn Baker

Can anybody find
A true peace of mind
A peace that won't depart
That satisfies the heart
Or am I just hoping for a dream?

Did life just appear?
With no real aim
We get what we can
And try to make a plan
To be happy for tomorrow we die

Ref:

Won't someone please show me the way (the way)
Give me something to live for each day (each day)
Give me life that won't pass away
Help me to know the way I should go

This life just a game
Was it chance that brought us here?
The beauty that I see
Which just amazes me
Could chance have made it all so very well?

It's so frightening to say
But I guess I have got to pray
It's something I don't do
But Something's coming through
A voice is speaking deep into my heart

Ref:

I am the One to show you the way (the way)
Give you something to live for each day (each day)
Give you life that won't pass away
Come unto Me, and then you will see
Yes, I am the One to keep you secure (secure)
Give you love that is steadfast and sure (steadfast and sure)
Be a friend forever more

Hear what I say: I am the Way.
