Relax and take notes while I take tokes of the marijuana

Smoke relax and take notes gun smoke gun smoke

I just want the paper I just want the paper

I just want the paper I just want the paper

Relax and take notes while I take tokes of the marijuana

Smoke relax and take notes gun smoke gun smoke

I just want the paper I just want the paper

I just want the paper I just want the paper

[Verse: 8Ball]

M.E.M.P.H.I.S

Imma rep this hurr til I walk up on death

My demise aint here dont hold your breath

Cook heat over beef so Im somethin like a chef

Purple kushes, my bitches wax off they pussy bushes

Eat dick like its delicious, and grant a pimp wishes

She dig my country talkin, she say I sound funny

Embassy suites sittin on the bed countin money

Illegal hustlin, dirty money mustlin

Spend it like I never saw a day of pain or sufferin

Look at my face you can tell I seen both of em

I stick in move do my biz get my doe and dip

My chronic habit heavy weed man in every city

My money big so my airplane il bitty

Major visibility, bad boy lieutenant

Black Phantom wit the black guts and Im in it

 If ya bust it first Imma dump back dump back
 Down South we gon hustle to the roster crow
 My nose runnin still cause a nigga used to blow
 If pockets low I'll let ya know (dont turn around)
 A hair trigger that'll bust (dont make a sound)

 Dont be hesitatin fool (before I blow you down)
