

Sorry

Trampled by Turtles

I never meant to hurt you darlin'
I figured you would know all this by now
But I still think that I should say itThere's more to life than dying early
It's new to me so bear with me a while
And I promise that I'll do betterWhen you leave me
Let me down easy
Won't you?And you'll be sorry
And I'll be sorry backI never meant to hurt you darlin'
Looks that you'll be holding too
I won't be there when you're callingThere's more to life than broken windows
I know people that are just like you
And I promise that I'll do betterWhen you leave me
Let me down easy
Won't you?And you'll be sorry
And I'll be sorry back
