

Teqkilla

M.I.A.

Johnie keep walking, Jack does too much coke
Jim Beam and Jameson, they just gave me joke
When I see Perno, I say oh hell no
Kahlua's a turn off, I tell him to Smirnoff
Captin Morgan, a shake with sparks
When we hang out, he shoots arrows through my heart
Blue tattoo, chillin up in Malibu
He got 99 Bananas, but he ain't my boooooooooI got sticky sticky ikky ikky wiiiiiiiiiiid
I got a shot of tquila in meI got sticky sticky ikky ikky wiiiiiiiiiiid
I got a shot of tquila in meWhen I met segrams
Sent chivez down my spine
got me on the dance floor
then we start to wine
His ex sambuka
She jus a hooker
I put it on a chilla but
I want to quila aI got sticky sticky ikky ikky wiiiiiiiiiiid
I got a shot of tquila in me
