

Hot Boy

Christina Milian

[Chorus:]

What they do ?
Youâ's a motha*** hot boy,
I can be your hot girl,
Lemme set your body on fire,
What they do ?
Youâ's a motha*** hot boy,
I can be your hot girl,
Lemme set your body on fire, fire

[Verse 1:]

I can cook a steak up,
While you hook up a stake out,
And Iâ'll sit in the passenger side,
And letâ's ride,
And I can fix my make up,
While you sleep on ya Jacob,
Now thatâ's just what I call perfect timming,
Yes Iâ'm,
Iâ'm ho-ho ho-ho hot girl,
Iâ'm in need of a ho-ho ho-ho hot boy,
Got a spot locked down itâ's absurd,
You and me get together the block would just burn,
So,

Set my body on fire why donâ't you just,
Get with me Iâ'm on fire,
Iâ'll burn you up,
So hot,
You makinâ' me feel so hot
To the third degree,

[Chorus:]

What they do ?
Youâ's a motha*** hot boy,
I can be your hot girl,
Lemme set your body on fire,
What they do ?
Youâ's a motha*** hot boy,

I can be your hot girl,
Lemme set your body on fire, fire

Fire Iâ'm burninâ' up cuz,

What they do ?
Youâ's a mutha*** hot boy,

Fire you get me hot cuz,

What they do ?
Youâ's a motha*** hot boy,
Hot boy,

[Verse 2:]

While you gettinâ' froze up,
Iâ'll go hook my clothes up,
Know you like what you seeing,
Fit the jeans you put me in,
Thugged out thatâ's how I like it,
You stay gâ'd up,
Iâ'ma always be down,
You can put ya feet up,
Iâ'ma hot hot girl,
I need a,
Hot hot boy like you,
Tell me what we gonâ' do,
Donâ't you see how you get me now,
Iâ'm catchinâ' a fever,
Boy just pull ya sleeves up,
And gimme what I need now,

Set my body on fire why donâ't you just,
Get with me Iâ'm on fire,
Iâ'll burn you up,
So hot,
You makinâ' me feel so hot to the third degree,

[Chorus x1]

Christina youâ's a motha*** hot girl,
I can be your hot boy,
Lemme set your body on fire,
Christina youâ's a motha*** hot girl,
I can be your hot boy,

Lemme set your body on fire,

What they do ?,
YouÂ's a mutha*** hot boy, hot boy

[Repeat]
