Ladytron

Traffic things and power lines
Cables on the ocean floor
Traffic things and power lines
Going out to number four
There's a photo hidden on page four,
Has the halo around your smile, think fast
They say, that play, that fallout is a must
Still you keep on keeping on past the kids You're the boss from behind your eyes
With, looking for the cherry on the ice
They say, that play, that fallout is a must
Still you keep on keeping on past the kids,
And still you keep on keeping on past the kids
