I Wonder Why

Glenn Jones

Ooh
Ah, yeahDo you ever think about
Yesterday
I believed in you, baby, yeah
Every word that you'd sayI tried to let go
Tried to move on
But I keep comin' back to the life we had
Somehow baby, now it's goneI wonder why (Why did you leave me, baby)
I wonder who (Whoa, who's lovin' you)
I wonder whatever happened to us (What happened to us)
How did we lose (How did we lose, baby)I wonder where (I wonder where)
Are you tonight (You tonight)
I wonder who in the world's (Yeah)
Lovin' you now (Who)Well, it's 5 o'clock in the mornin'
I just can't sleep, no
Oh, you're forever on my mind
And it just won't let me beGirl, I need to have your body
Need you right here with me
What am I gonna do
Somebody tell me pleaseI wonder why (Why did you leave me, baby)
I wonder who (Who's lovin' you, yeah)
I wonder whatever happened to us (Ooh)
How did we lose (Ooh-wee)I wonder where (Where are you tonight)
Are you tonight (Oh, Lord, oh, Lord)
I wonder who in the world's (Who's lovin' you)
Lovin' you know (Oh, yeah, yeah, yeah, yeah)Was it something I said
Maybe it's something I've done
Played it over and over again in my head
Somebody tell me where did we go wrong (Ooh)Oh, yeah
Ooh ooh ooh
Yeah eah yeahI wonder why (Why)
I wonder who (Who's lovin' you, baby)
I wonder whatever happened to us (Whatever happened)
How did we lose (How did we lose)I wonder where (Where are you tonight)
Are you tonight (Lord have mercy)
I wonder who in the world's (Who in the world)
Lovin' you now (Who's holdin' you tight, baby)I wonder why (Why did you leave me, baby)
I wonder who (I need to know, baby)
I wonder whatever happened to us (Whatever happened)

How did we lose (How did we lose)I wonder where (Oh, where)
Are you tonight (Where are you tonight)
I wonder who in the world's (Who in the world, baby)
Lovin' you now (Oh)I wonder why (Why did you leave me)
I wonder who (Who's lovin' you, baby)
I wonder whatever happened to us (What happened to us)
How did we lose (Where did we go wrong, baby)I wonder where (Where)
Are you tonight
