Panties

HTRK

i try to come i concentrate
i'd call you up but it's getting late
pull your panties down a little more
get on your knees on all foursit's been raining all day long
i feel a cold it's coming on
where is my sun to keep me warm
i've been waiting on my ownhail a cab get inside
she said thanks for the ride
pull your panties down a little more
get it in your mouth i've locked the door
how can i decide what's wrong or right
how can i keep in mind what's out of sight
under the stars tonight i'd say yes quite
is that love you've made
is that art you've made
let's start a fight
let's start a fight
let's start a fight
let's start a fight
