

Red Letter Day

The Get Up Kids

You've got some nerve I never knew,
What with the world we gave away in front of you.

I see it all

Much clearer now.

You're just a phase

I've gotten over anyhow.It's over,
I'm not giving in again.We're loyal like brothers,
Just us versus all the others.

You the one for

You the one for me?

I trusted misleading

Promises worth repeating.

How could you do this to me?Red letter day that I learned
I'm sure you'll get what you deserve.

I see it all

Much clearer since...

Far past the point of this.It's over.

We're loyal like brothers,

Just us versus all the others.

You the one for

You the one for me?I trusted misleading

Promises worth repeating.

How could you do this?

How could you do this to me?

... And if it's a lie

I don't want to be the one who signed.

I'm not the one who falls down,

It's over now.

Over now.If you want to try...

Try to forget it.

I'll say it's over,

I'm gone.We're loyal like brothers,

Just us versus all the others.

You the one for

You the one for me?I trusted misleading

Promises worth repeating.

How could you do this?

How could you do this?

How could you do this to me?
