

# Lava Kiss

## Grandaddy

Put your make-up away  
Cause getting drunk and feeling sad is no occasion  
Especially todayVolcanologists say  
That we're the best, that we're unlike the rest  
Fearlessness, boundariless,  
Togetherness, Lava KissVolcanologists say  
That we're the best, that we're unlike the restFearlessness, deadlineless  
Togetherness, Lava Kiss
