

# Don't Hold Me Back

Ian Gillan & Tony Iommi

And that's what dreams are for  
knocking at your spiritual door  
it' easy. just go with the flow  
I told you before When your body is burning  
you reach for the light  
in the heat of the night  
you can't resist, Don't hold me back! And that's what I've been thinking about  
breaking in your open heart  
it's no big deal. Just go with the flow  
I told you before
