

# Dont Stop

## Aerosmith

Remember when somebody tried to tell you how to walk  
And now they got the balls to tell us how we should talk  
Oh no, glove love ain't cool, I must agree  
So get outta my face, you ain't got nothin' on me  
Some say they do, some say they don't, I take it in stride  
And I can never get enough if I don't got to swallow my pride  
I heard it all before and then she told me, gimme some slack  
Then she smiled at me and gave me the shirt right off her back  
(And that's when I took advantage of the situation)  
Don't stop  
Rockin' your socks off  
Don't stop  
Knockin' their blocks off  
Don't stop  
Gettin' your rocks off  
Don't stop  
Takin' a hit, boy  
Don't stop  
Shakin' your fist, boy  
Don't stop  
I ain't got much to lose  
I'm feelin' so confused  
There's such a small thin line between pleasure and pain  
And when you say don't, then it's don't stop, I got to complain  
(Yeah) I think I may be gettin' real tired of all the steam  
Because it's hard to get the way you move out of my dreams  
(Got to get it while you can)
