

# Because You Love Me

Jo Dee Messina

I don't know how I survived  
In this cold and empty world  
For all this time  
I only know that I'm alive  
Because you love me  
When I recall what I've been through  
There's some things  
That I wish I didn't do  
Now I do the things I do  
Because you love me  
And now that you're in my life  
I'm so glad I'm alive  
'Cause you showed me the way  
And I know now how good it can be  
Because you love me  
And now that you're in my life  
I'm so glad I'm alive  
'Cause you showed me the way  
And I know now how good it can be  
Because you love me  
I believe in things unseen  
I believe in the message of a dream  
And I believe in what you are  
Because you love me  
With all my heart and all my soul  
I'm loving you and I never will let go  
And every day I'll let it show  
Because you love me  
Because you love me  
Because you love me
