However You Want Me

Virgin Suicide

you call me out
it's over my bedtime
your thing is the . on my mind
so ...rected
it's between me and you
you call me
and speaking untrue
you leave me call as a date.
just tell me
however you want me
however you want me
however you want me
I'm yours
and you follow me
as I surrender
yeah I surrender
yeah I surrender to myself and you
come speak the truth
don't follow any clues
just let me
touch touch to-touch you too
'cause all my sisters
and all of my moms
we're sailing out of my hole
leave me call as a date.
just tell me
however you want me
however you want me
however you want me
I'm yours
and you follow me
'cause I surrender
yeah I surrender to myself
yeah I surrender to myself and you
let me down
'cause I can't wait a while
let me know
however you want me
however you want me

however you want me
I'm yours
and you follow me
as I surrender
yeah I surrender
yeah I surrender
yeah I surrender to myself and you
