

# Floods (Album Version)

## Fightstar

You can all pretend  
That you don't know enough  
Enough to make sense  
All this will be gone  
And you can sink beneath  
The rapture we've spawned What have we become You know we don't have all the time in the world  
To make the floods seem still  
You know we don't have all the time in the world  
To make the most of this Blind we bleed the blind  
When the only thing to see is their lies  
Let not the sun go down  
On the wrath of this inconvenient truth What have we become You know we don't have all the time in the world  
To make the floods seem still  
You know we don't have all the time in the world  
To make the most of this Just smile like the idiots you are You know we don't have all the time in the world  
To make the floods seem still  
You know we don't have all the time in the world  
To make the most of this
