

Light That Torch

[Beverly Jo Scott](#)

I got a racoon in my tree top
Got a coon ass in my bed
Good lovin' gonna make you're heart stop
Make you lose you're mind instead I got an ally out my back door
Got a gator on my porsh
Louisiana lover make a happy home
Gonna make you Light That Torch Keep doin' what you're doin'
When you're diggin' what you're doin'
Refrain
Are you diggin' what you're doin'
When you're doin' what you're doin'
Gonna make you Light That Torch (2x) Light That Torch
Sight and co in the kitchen
Do simmer in that pot
And keep that chicken cooking
To keep that oven hot You got to stear it up slowly now
Never let the bottom scorch
Louisiana lover make a happy home
I'm gonna make you Light That Torch Keep doin' what you're doin'
When you're diggin' what you're doin' Refrain
Diggin' what you're doin'
When you're doin' what you're doin' Refain Light That Torch, Light That Torch.
