

Whipping Boy

[Ben Harper](#)

Well you can need me well I want you to and
you can feed me how I like that too but
don't you lead me I won't follow you
listen here I don't fear

I don't want to be your whipping boy You can tease me how I want you to and
you can squeeze me baby I like that too
but don't you lead me I won't follow you
listen here I don't fear

I don't want to be your whipping boy You can hold me baby I want you to and
you can scold me yes I like that too but
don't you lead me I won't follow you
listen here I don't fear

I don't want to be your whipping boy Well you can need me well I want you to and
you can feed me baby I like that too but
don't you lead me I won't follow you
listen here I don't fear
I don't want to be your whipping boy
