[Verse 1]
Growin' up on Section A, momma in the otha room cryin'
Cuz she got bills to pay, and it ain't no chores to play
Only thang outside is a sand box and a gate to hate
And the show ain't gon' show money, soul of a show money
Only thang around town, Brooklyn is dat dope money (Livin' in the projects)
Dem boys on the corna, and they pockets gittin' stronga
Momma did it fo' the hunger
We sold about a hundred, err'body still runnin'
And we sittin' on the block
Cuz the dope feigns rollin'
Videos, I ain't trynna be no rap

I'm tryin' to make a stack up (Livin' in the projects)
I ain't gotta call practice
So if I'm on the streets, then come greet or tear my back up (Livin' in the projects)
Tha police betta call back up
